

# Correlation™

Bringing people and productivity together

## An easy management decision

Correlation is designed with solid 1½" thick tops and 72" overall high cabinets and hutches that accommodate larger computer monitors. Correlation excels in executive and management applications. Select the perfect layout for your office from over 350 components in hundreds of exciting color combinations, from traditional to contemporary.

## Coming together

Set the tone for executive conferences with Correlation's sophisticated boardroom tables. Correlation features 1½" thick worksurfaces made from thermally fused laminate. Tops and bases can be mixed and matched to accommodate any design requirement. Complete the picture with the NuCAS seating series (shown) featuring Global's patented push button control technology located in the armrests for quick and convenient adjustment.

# Teamwork gets it done

Let Global and Correlation bring some real team work to the general office area. Correlation's curvilinear worksurfaces and storage components support the flow of people in your office and help you work more comfortably and productively. Choose from a broad selection of storage options, featuring a mixed storage center. Most Correlation products ship assembled, units that ship unassembled incorporate Global's VETA system (Very Easy to Assemble) to make assembly quick and easy.

### panel options

- Top: Glazed panel available with ribbed clear finish or rice paper glazed finish.
- Centre: Fabric panel
- Bottom: Laminate panel with optional wire management scoop

## Correlation™ with Divide™

### create privacy with Divide panels

Divide™ is a modular desk-mounted panel system available with laminate, fabric or glazed panels which vertically stack to provide privacy. An integrated rail accepts a wide array of optional accessories to organize your work and free up your workspace.

#### paper organizer

The optional organizer provides overhead document storage within easy reach and without obstructing the workspace area.

#### higher hutches

Overall 72" height provides additional storage space and accommodates larger computer screens on the worksurface.

#### hanging rail accessories

Divide's fabric and glazed panels have built-in rails to accommodate optional off-desk accessories that help organize work station paperwork and everyday office essentials.

Choose from a variety of off-desk accessories: pencil holder, organizer tray, CD holder, slanted file holder, binder holder, phone support, and file hanger.

## Drawer pull options

Correlation's lateral files, storage cabinets and other items, such as serving carts and wardrobes are available in four standard drawer pulls. Several components offer the option of adding pulls to complete the look throughout the work environment (optional pulls are shown on the hanging pedestal above). All drawer faces have 3 mm PVC on all sides for added safety and a consistent look. Correlation drawers are superior in construction, employing dovetailed drawer faces and routed channels to support drawer bottoms.

### option W

Flared -  
Satin Brass pull handle

### option X

Flared -  
Black matte pull handle

### option Y

Flared -  
Nickel matte pull handle

### option Z

Dimpled -  
Nickel matte pull handle

### fluted edge

The protective 3mm PVC edge has a distinctive "fluted" detail that enhances the design of Correlation top components. Optional at no additional cost.
