Filing & Storage

Filing & Storage is one of the key elements in any successful business operation. If you are not organized in your material retrieval, then you cannot effectively respond to the demands of your business each and every day. Global provides a variety of innovative and cost effective "Storage Solutions" that can react to your daily demands; making your office and personal work environment more stylish and productive all at the same time.

Care and the Environment

Cleaning our files is easy. Simply wipe the surface with a soft cloth dampened with a glass cleaning solution. We are proud to have an Earth Friendly painting process which recycles unused paint and overspray.

9100 PLUS & 9100 SERIES

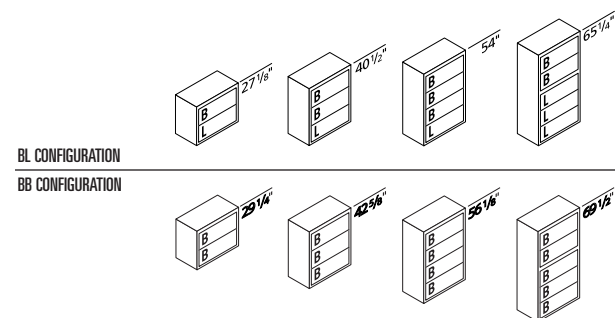

9100 Plus Series Lateral Files

Lateral files can store 3-ring binders, computer printouts, and file folders in the oversized 'B' drawers in every cabinet. Doors fully recede into the cabinet. Fixed front, looped full pulls and receding doors have an added stiffener. Interlock system prevents tipping by allowing only one drawer to open at a time. Cam locks with removable cores are standard. Additional finishing details, options and inner support channels make this Global's best series.

AVAILABLE DRAWER CONFIGURATIONS

9100 & 9100 PLUS SERIES FEATURES

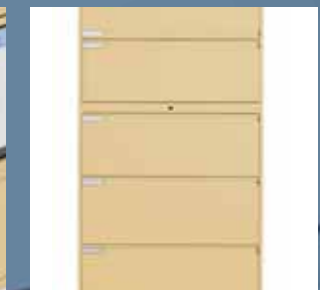

Optional laminate top

Optional posting shelf with spring loaded touch latch

Receding door fully recedes. All doors feature an extra support channel

Available with ADA lock option (American Disability Act)

9100 PLUS & 9100 SERIES

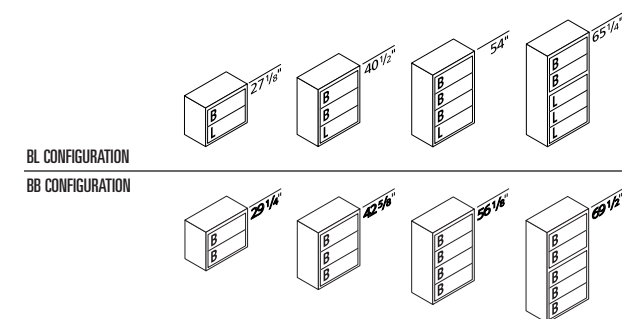

9100 SERIES

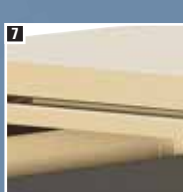

9100 Plus Series Lateral Files

Lateral files can store 3-ring binders, computer printouts, and file folders in the oversized 'B' drawers in every cabinet. Doors fully recede into the cabinet. Fixed front, looped full pulls and receding doors have an added stiffener. Interlock system prevents tipping by allowing only one drawer to open at a time. Cam locks with removable cores are standard. Additional finishing details, options and inner support channels make this Global's best series.

AVAILABLE DRAWER CONFIGURATIONS

Built to last, Check it out!

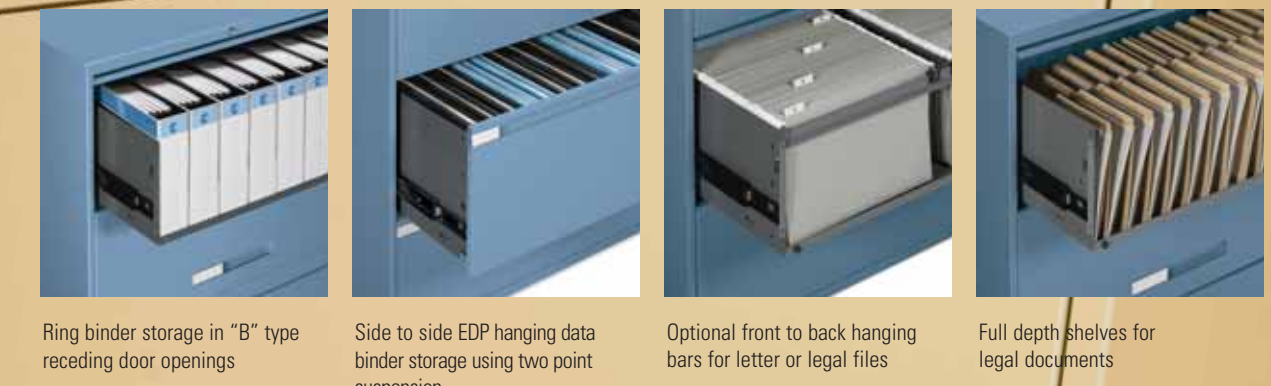

- 1**  Corner gusset provides additional rigidity
- 2**  The one piece top has a reinforced channel for additional rigidity and strength.
- 3**  Lock bars on both sides increase security
- 4**  Removable core cam lock allows for keying changes in the office
- 5**  File bar slots facilitate letter, legal, or A4 metric hanging file storage
- 6**  Suspension and safety interlock are integrated for added protection
- 7**  Receding doors have rigid full hat channel to prevent door jamming and provide additional strength

9100 Series Lateral Files

These quality built lateral files feature strong MIG welded front corners with many options and standard features. Free up desk space with receding door 'B' openings to accommodate three ring binders. Our two drawer file fits under a 29" worksurface. All files have leveling glides, ensuring that drawers are in easy to open. The interlock system prevents tipping. Removable cam locks are standard.

9100 PLUS & 9100 SERIES STORAGE OPTIONS

Ring binder storage in "B" type receding door openings | Side to side EDP hanging data binder storage using two point suspension | Optional front to back hanging bars for letter or legal files | Full depth shelves for legal documents

9800 SERIES

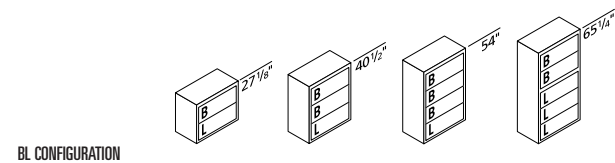

9800 Series Lateral Files

Solid construction provides long lasting quality and durability. These cabinets accommodate letter, legal and metric file sizes, and are suitable for many types of multimedia storage. The soft touch Hytre™ drawer pull opens easily, and the design of this series complements Globals eO:™ casegoods.

AVAILABLE DRAWER CONFIGURATIONS

BL CONFIGURATION

9800 SERIES STORAGE OPTIONS

Ring binder storage in "B" type receding door openings

Optional front to back hanging bars for letter or legal files

Ideal for multi media storage

Accommodates side to side letter, legal and A4 hanging folder sizes

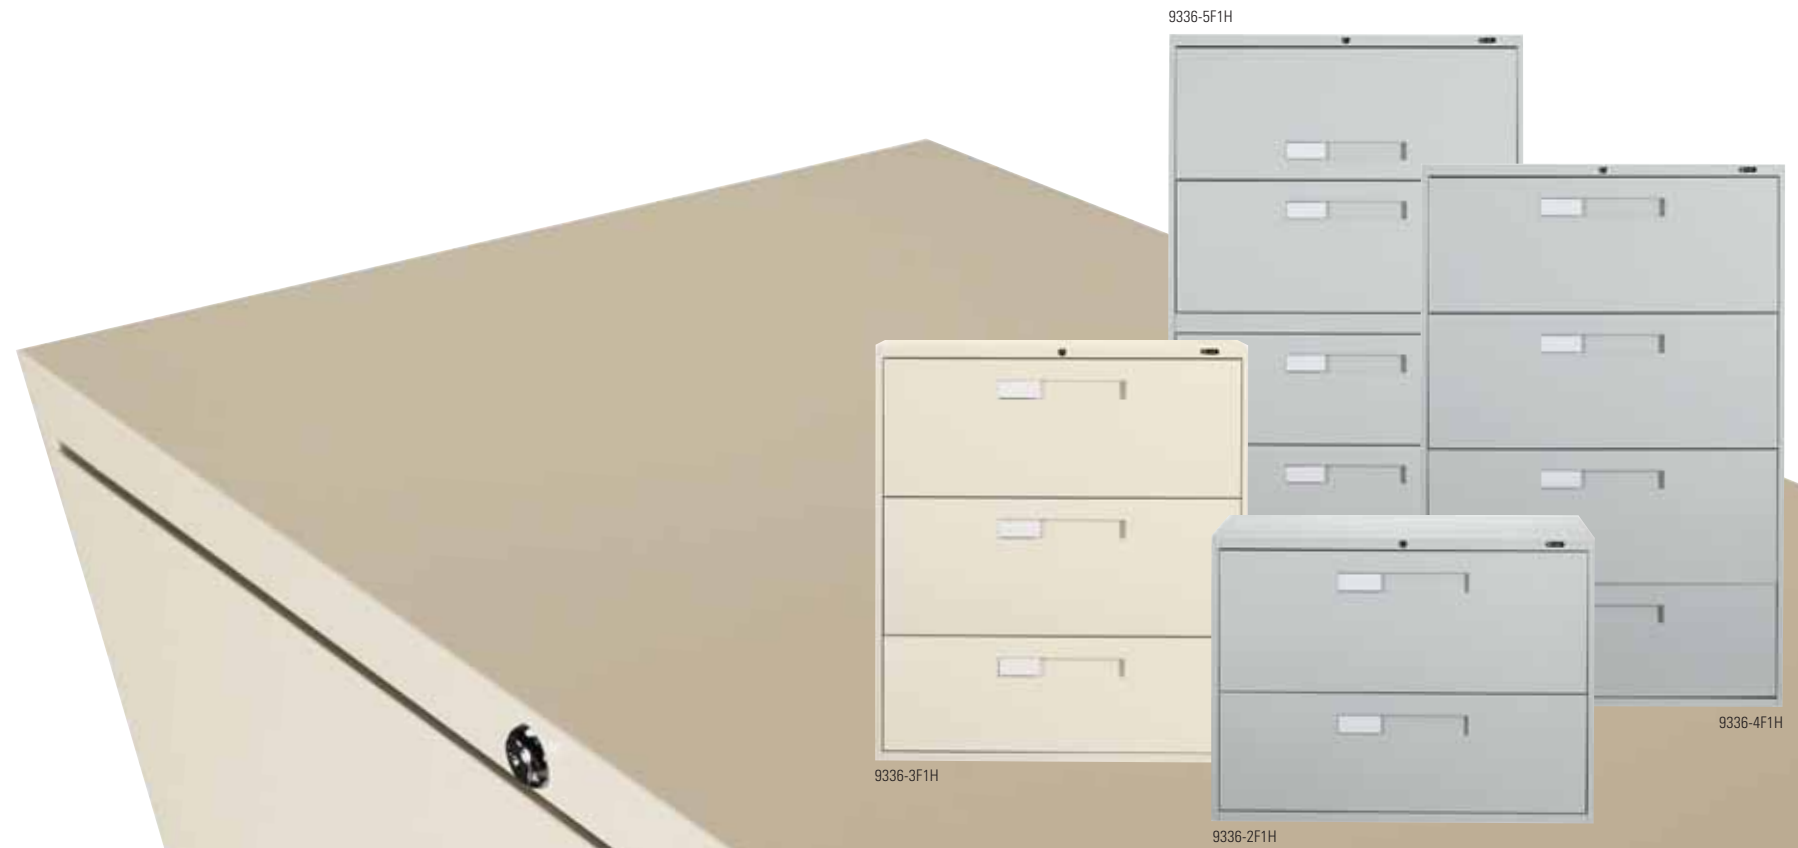

9300 & 9300 PLUS SERIES

9300 Plus Series Lateral Files

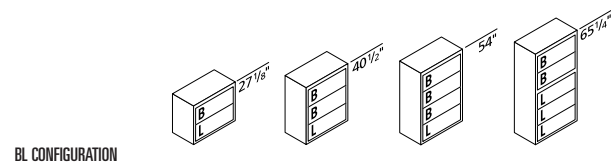

This series has the look of higher end cabinets but at a reduced cost to the end user. Leveling glides keep the file case true, ensuring that drawers are easy to open. Cam locks with removable cores are standard. File bars included. Interlock system prevents tipping by allowing only one drawer to open at a time. Full pull design shown above.

9300 Series Lateral Files

Professional lateral file capability at an economical price available with fixed or receding drawer fronts. Solid construction delivers a cabinet with quality and durability. A variety of great features are offered including EDP and ring binder capabilities, all with the flexibility of three file widths. Central core removable cam locks are standard. Interlock system prevents tipping. Center pull design shown above.

HOTELING LATERAL FILES

MOBILE STORAGE

9136P-3FSH

9136P-5FSH

9100 Plus Series Hoteling Laterals

When multi-user storage is required with additional security, Global has the answer. This alternative office concept is ideal for shared workspaces. Individually keyed cam locks with removable cores in each drawer secure documents. The steel panel between each drawer creates additional security and privacy. Fixed front drawers are standard except for the receding top opening of the five high drawer model.

91P-FT12LM

98-FT12L

File Taxi®

An innovative, alternative office solution meeting the needs of the ever-changing office. It features two box drawers with pencil tray and divider plate, 12" file drawer with full suspension, four swivel casters, receding door with fixed shelf and three divider plates. Available in the 9800 and 9100 Plus Series (both shown). Also available without casters to fit under a 29" H worksurface.

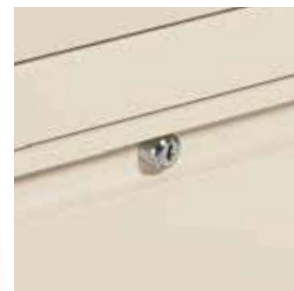

GMCP-19BFL

ESC-19HDL

Stagecoach™

Stagecoach™ is compact and mobile to maximize space and storage in any work environment. This series also provides mobile temporary guest seating. Seating, filing and storage – all in one! The rotating casters and wheels easily place Stagecoach™ under the worksurface.

9100 PLUS SERIES HOTELING FEATURES

Individually keyed cam locks are standard for each drawer, providing document security

Steel panel between each drawer creates additional security and privacy

FILE TAXI FEATURES

Ring binder storage in "B" type receding door openings

File drawer allows side to side legal or front to back letter filing

STAGECOACH FEATURES

Locking ventilated unit accommodates purses, shoes, gym attire etc.

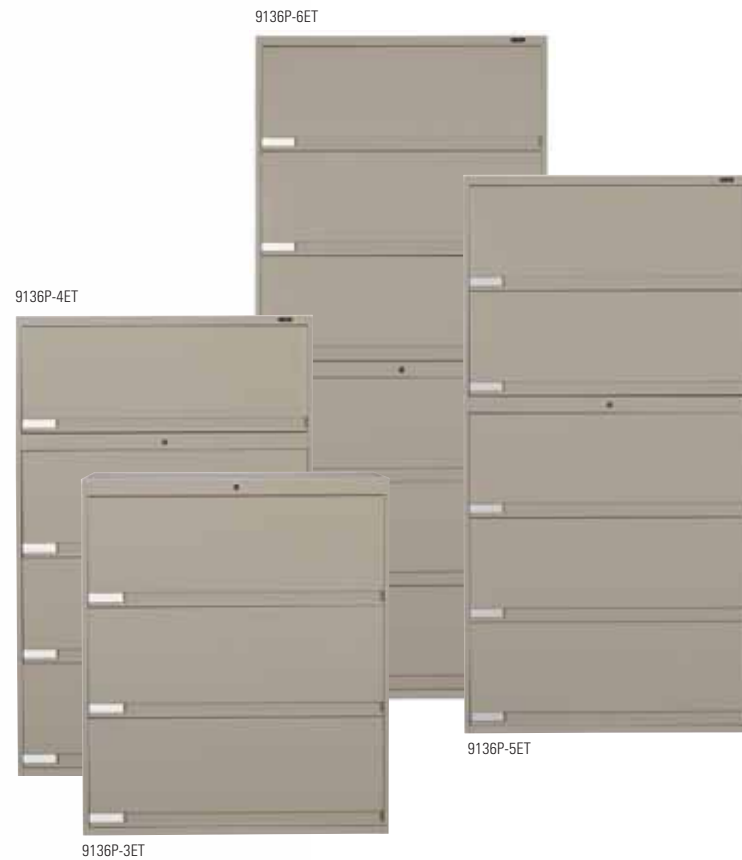

Top railing functions as a backrest support and handle

END TAB FILES

PEDESTALS

End Tab Files

End Tab Filing has taken on a much more important role in today's office. Whether it is a Doctor's, Lawyer's, Accountant's office or business of any kind, document security has become an issue. This is a result of the HIPPA Act and the PIPEDA Act. All personal information now must be under lock & key according to these new government regulations. Global's End Tab Filing provides the security that you demand, in a variety of heights, in our easy to access 9100 Plus Series.

E & G Series Pedestals

These versatile file pedestals come in two handle-styles and can stand on their own or support worksurfaces. Specially designed pulls are soft to the touch and open easily. Available in three heights, with or without casters, and 19", 23", 24", 29" and 30" depths.

E Series: Pedestals specially designed pulls are soft to the touch and open easily.

G Series: File pedestals, with their clean stylish looks, will fit into any environment old or new.

* 24" model available in @tributes line.

END TAB FILES FEATURES

Posting shelf for sorting documents (Optional)

Lock located in optional posting shelf position (ADA compliant)

E SERIES FEATURES

Available with casters

Soft touch Hytrel™ pulls on E series pedestals

G SERIES FEATURES

23", 24", 29" and 30" depths include side to side legal conversion bars (Not applicable to 19")

Pencil tray is standard in all top box drawers

PERSONAL STORAGE TOWERS & LOCKERS

Personal Storage Towers

This customized tower maximizes required storage for each and everyone of us. It provides the needed security our personal and office items require on a daily basis.

Locker and wardrobe doors are hinged on same side and open away from the worksurface for easier access (can be hinged either left or right). The filing section can be specified with two or three full size files drawers. The top opening can be two box drawers on a full size file drawer. All ball bearing drawer suspensions.

Vertical Files

When space is limited and you need a space reduced storage solution, Global has a wide selection of vertical filing cabinets to choose from.

2600 Series: Economically priced with uncompromising standards. Features removable cam lock and sturdy, full cradle drawer suspension for smooth operation.

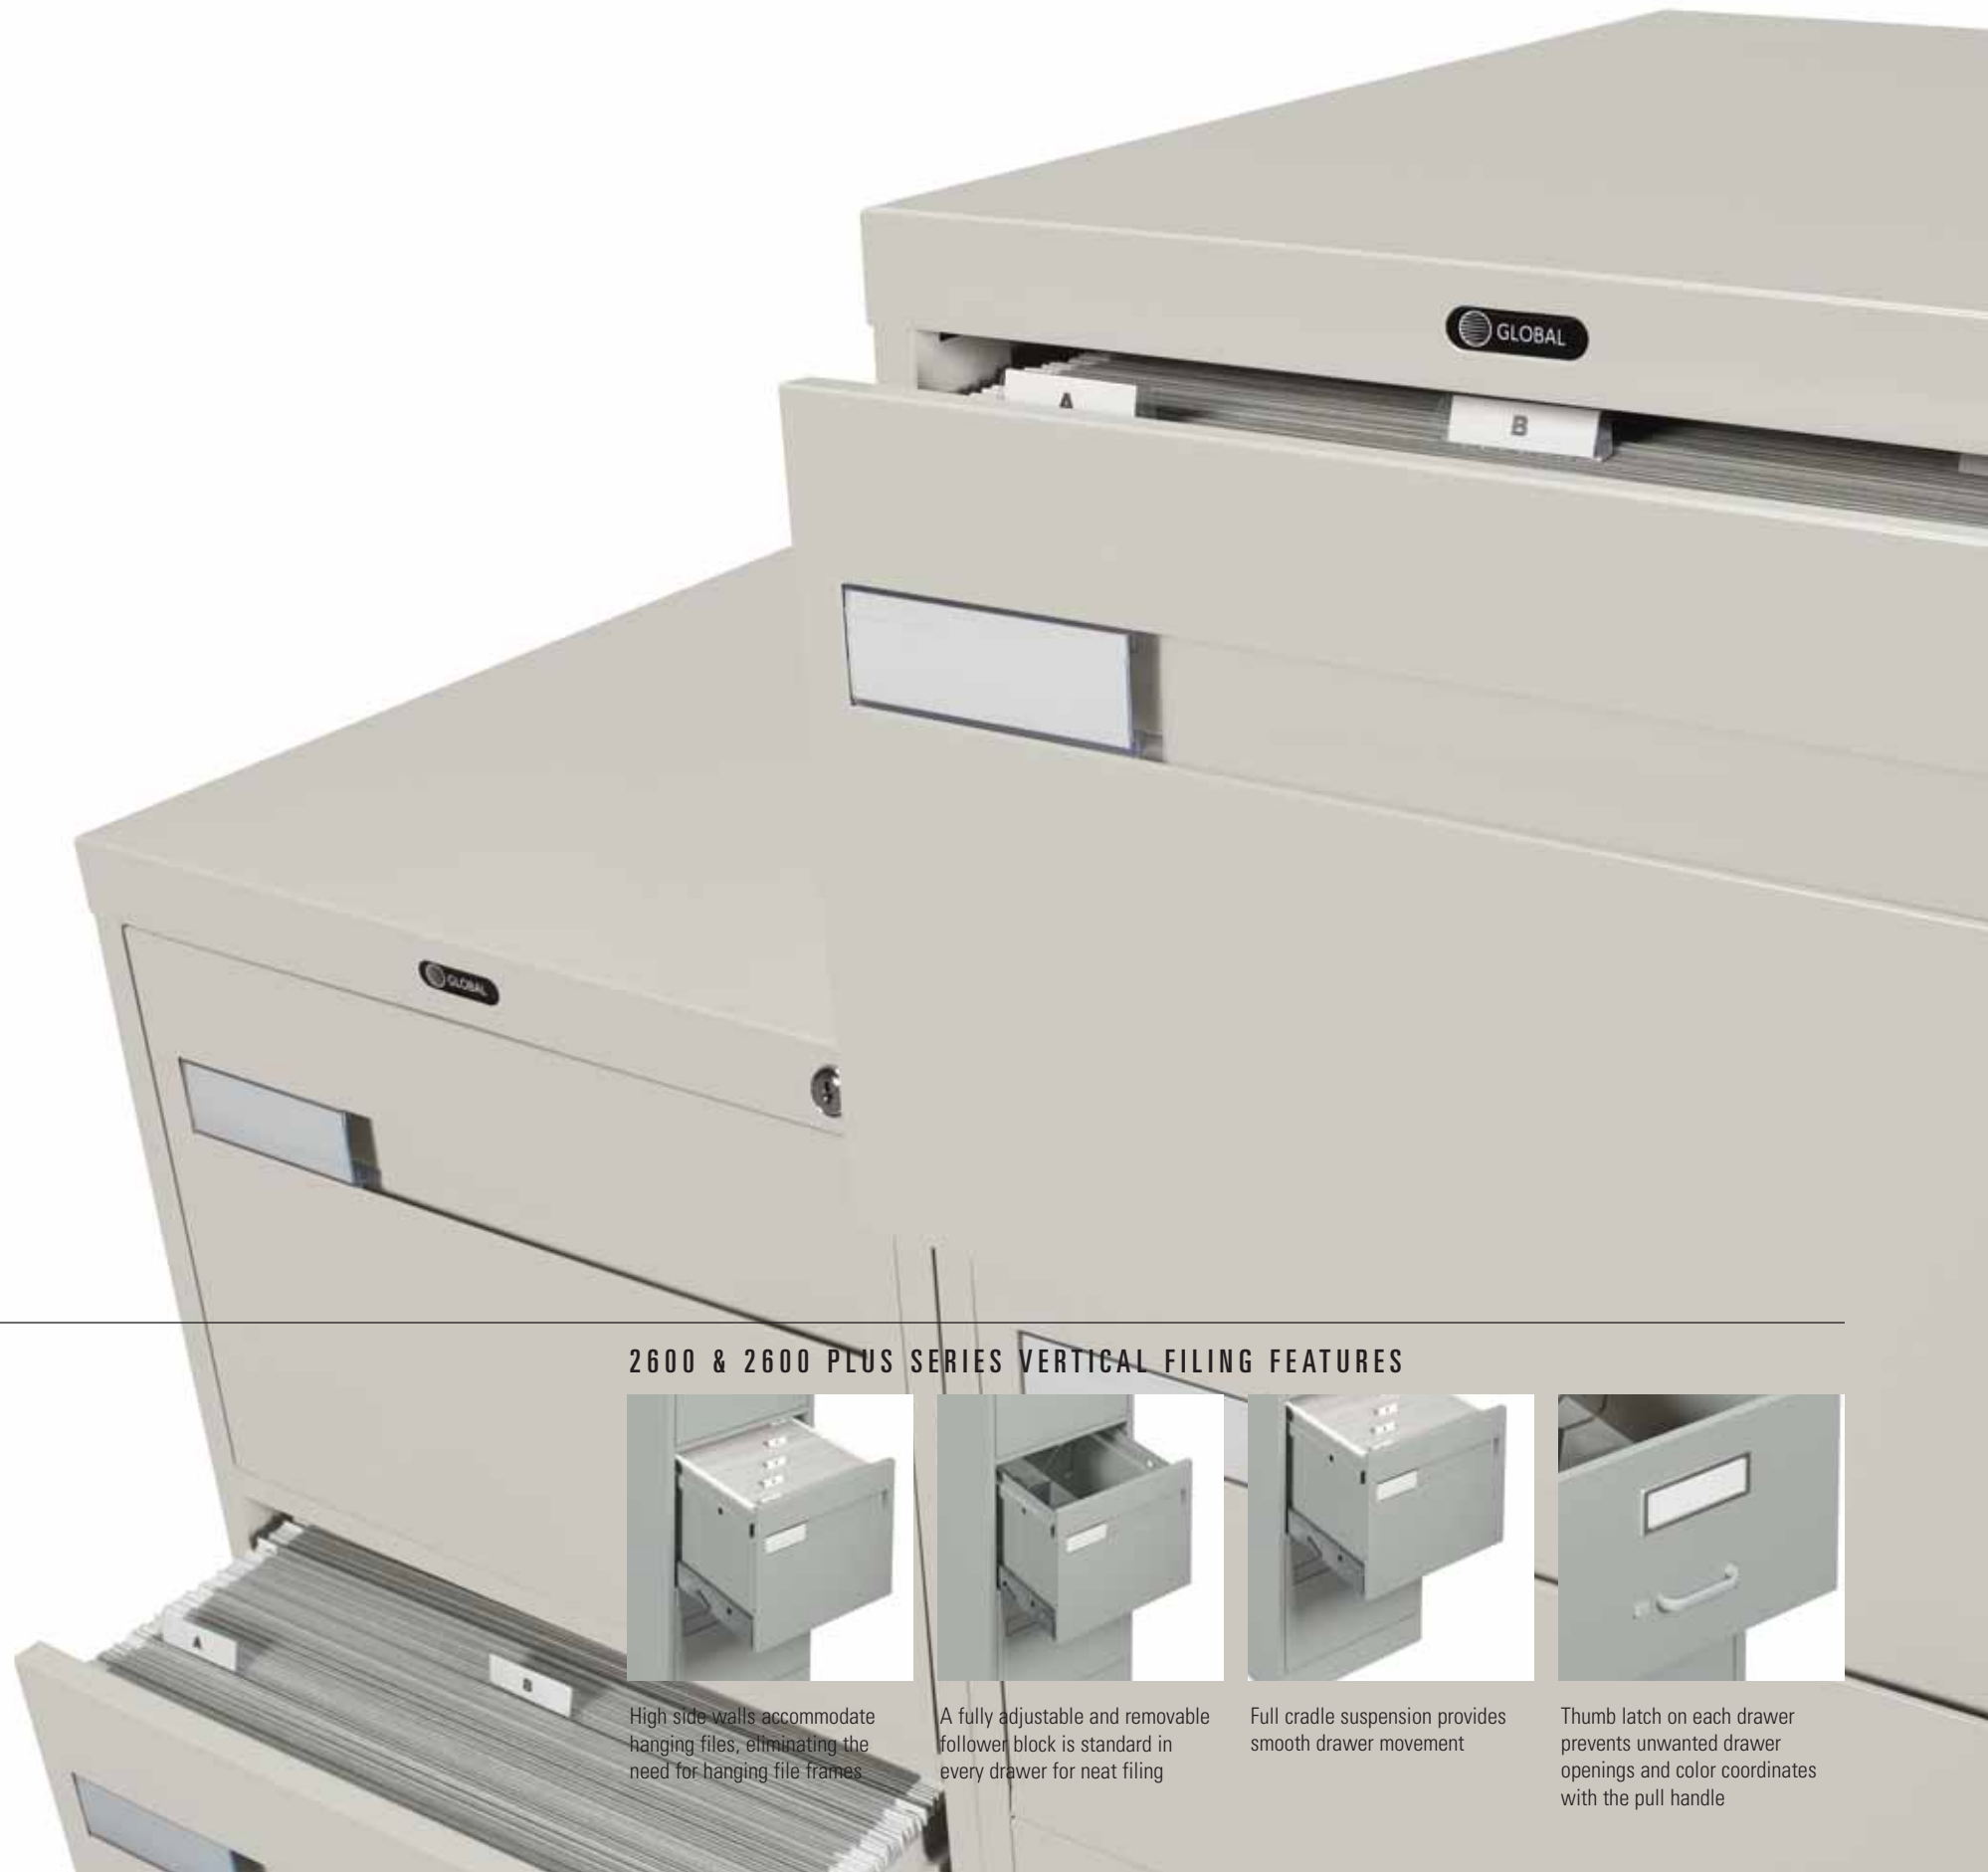

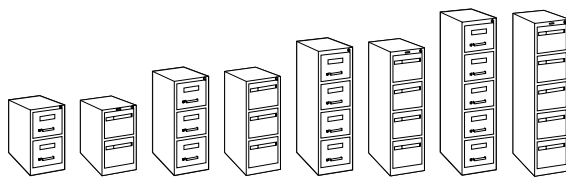

2600 Plus Series: High end styling at an economy price. Full-width recessed pull handles. Available in letter or legal file size. Standard lock and cradle suspension.

2800 Series: Files offers 28" deep legal or letter size cabinets with recessed pull. The flush, one piece welded tops enhance their appearance and provide superior strength and rigidity. The full height side walls with full progressive ball-bearing suspension eliminates the need for hanging file frames. A removable cam lock is standard.

2500 Series: Available in 2 or 4-drawer configurations. Standard with "d" pull color match label holders.

AVAILABLE DRAWER CONFIGURATIONS

2600, 2600 PLUS & 2800
Available in both
letter and legal
widths.

2600 & 2600 PLUS SERIES VERTICAL FILING FEATURES

High side walls accommodate hanging files, eliminating the need for hanging file frames

A fully adjustable and removable follower block is standard in every drawer for neat filing

Full cradle suspension provides smooth drawer movement

Thumb latch on each drawer prevents unwanted drawer openings and color coordinates with the pull handle

Global offers the freedom of color for your filing needs.

Filing Color Policy:

Global continues to offer color matches for your personalized requirements.

Fileworks™: There is a 10% upcharge on personalized color matches, on orders up to 10 units. There is no upcharge on 11 units or more. A 10% upcharge applies on white finishes for Fileworks products (metallic and mica finishes are not available).

All other filing series products: There is a 10% upcharge on personalized color matches on orders up to 10 units. There is no upcharge on 11 units or more. A 10% upcharge applies on white, metallic and mica finishes. Contact Global for more information.
